The Essence of the Vision (Dan. 2:38-40; 7:15-22; Rev. 11:15)

The Essence of the Vision

“When John’s Beast of the sea comes, in fact to stand upon its four brazen-clawed Bear feet, its dominion will consist of the Russian Empire, Continental and Mediterranean Europe, Persia, Ethiopia [Cush/Iraq], Libya, Togarmah [Turkey/Armenia], Egypt, and Syria. When the throne of the Russian Autocrat is transferred to Constantinople, the apocalyptic Bear-feet, armed with brazen or Greek [orthodox] claws, will also be enthroned there, and be prepared for the work that remains of ‘stamping the residue.’ The ‘residue’ that yet remains to be stamped, are the ‘many countries’ to be ‘overthrown,’ inclusive of Turkey, Egypt and part of the Glorious Land.”

The Lamb-Horned Beast Under the Guise of European Union

(Rev. 17:8 & 13-14)

In fulfillment of the latter day Beast, we look for a cooperative Franco-German Power under written by the Vatican with the due blessings of the Papal See.

The Beginning of the “Union” - The ECSC

In 1950, Robert Schuman, the French Minister of Foreign Affairs, declared: ‘*Through the consolidation of basic production and the institution of a new High Authority, whose decisions will bind France, Germany and the other countries that join, this proposal represents the first concrete step towards a European federation, imperative for the preservation of peace.*’

“The Treaty ‘Beast’ is Back to haunt us”

“The Treaty ‘Beast’ is Back to haunt us”

“*If Europe’s political leaders succeed in ramming through a barely disguised remake of the same European constitution rejected by the French and Dutch people, I for one will come off the fence after years of hesitation and join the fight for total British withdrawal from the Union...*” (says, Ambrose Evans-Pritchard) As Tony Blair acknowledged in April 2007, ‘*What you cannot do is have a situation where you get a rejection of the treaty and bring it back with a few amendments and say: ‘Have another go.’ You cannot do that,*’ he said. The EU anthem will go, along with the visible bunting of an emerging state. The text won’t be called a constitution. As German chancellor Angela Merkel wrote in a letter to fellow leaders, ‘*presentational changes*’ should be made while keeping the ‘*legal substance*’. It is the substance that threatens British self-rule.”

The Re-Christianizing of Europe

The EU Flag is
but a thinly veiled
reflection of the
Catholic icon, the
“immaculate
conception”.

The Re-Christianizing of Europe... Continued

“Christian tradition is being eroded. The process of secularization has weakened the hold of that tradition; indeed, it is being called into question, even rejected,” the Pope lamented. “In the face of this reality, we are called together with all other Christian communities to renew Europe’s awareness of its Christian roots, traditions and values, giving them new vitality’.

Pope Benedict with the Eastern Orthodox Patriarch in Istanbul

The Re-Christianizing of Europe... Continued

“I underlined my opinion that we need a European identity in the form of a constitutional treaty, and I think it should be connected to Christianity and God, as Christianity has forged Europe in a decisive way....Europe’s ‘Christian values’ should be enshrined in a new version of the EU constitution”, the German chancellor declared.

Russia's Interest... Continued (Ezek. 6:2-3)

“Son of man, set thy face toward the mountains of Israel, and prophesy against them, And say, Ye mountains of Israel, hear the word of the Lord GOD; Thus saith the Lord GOD to the mountains, and to the hills, to the rivers, and to the valleys: Behold, I, even I, will bring a sword upon you, and I will destroy your high places.”

Russia's Interest... Continued

The spark to the tinderbox that ignited the Crimean war (1854-1856) between France and Russia in which Russia lost 600,000 lives, was who had the right to possess the key to the main door of the Church of the Nativity in Bethlehem.

Russia's Interest... Continued

*“Is it true,” asked Alexander William Kinglake, who wrote the first history of the Crimean war, “that for this cause armies were gathering, and that for the sake of **the key and the silver star**, the peace of the nations was brought into danger?”*

The short answer was,

YES!
