Class IV - Final Manifestation of the Beast and Serpent Powers

Sundering of the Clay Confederacy from the Iron by the Stone Power (Dan. 2:31-35)

“We consider Nebuchadnezzar’s Image the symbol of Gogue’s dominion, when, he, the King of the North (Dan. 11:40-45), and of Assyria (Isa. 30:30-33), encamps with his army, drafted from all subject nations (Hab. 2:5), on the mountains of Israel (Dan. 11:45; Ezek 38:8), on all sides of Jerusalem, and is in actual possession of the Holy City (Zech. 14:2), in the latter days (Ezek. 38:16). **He is not the ‘last beast,’ however. Till Gogue is broken, the lamb-horned, and dragon-speaking beast (Rev. 13:11) is an iron leg of the image - a co-partner with Gogue, yet inferior to him, in the majesty of the Greco-Roman-Draconic dominion of ‘The End.’** But when the Clay is sundered from the iron by the stroke of the stone-power, that is, when Gogue is broken, the Western leg and Toes, or ‘Beast and the kings of the Earth’ (Rev. 19:19), have still to be subdued.” (Herald of the Kingdom: Feb. 1852)

Peter the Great

“Do all in your power to approach closely Constantinople and India. Remember that he who rules over these countries is the real Sovereign of the World... Open for yourselves a route towards the Persian Gulf [IRAN]. Reestablish as much as possible, by means of Syria, the ancient commerce of Levant, and thus advance towards India. Once there, you will not require English gold.”
